

# Looking for Graduate Credits this Summer?

Learn through hands on experience... Meet farmers for firsthand knowledge of today's agricultural best practices.

## Summer Ag Institutes 2016

### Summer Ag Institute 1 (June 13-17)

3 Graduate Credit hours or ROE attendance credits  
\$150 Kane County Farm Bureau Members /\$170 non members  
(includes Farm Bureau Membership)

Our very popular summer class is a week-long look at the many different facets of agriculture in Kane County. This is your chance to:

- tour local farms, have time to speak with individual farmers
- tour agri-businesses & see how agriculture affects your daily life
- network with other teachers
- discuss and become knowledgeable about GMO's, sustainability, organic practices, and other hot topics.

### Summer Ag Institute 2 "Hungry Planet" (June 28-July 1)

**Prerequisite: SAI 1**— 2 Graduate Credit hours or ROE attendance credits  
\$150 Kane County Farm Bureau Members /\$170 non members (includes Farm Bureau Membership)

Our earth's population will be over 9 billion in 2050. How will we feed our planet? Join our 4 day event focusing on our Hungry Planet. This class is being offered to graduates of any year's SAI I class. This is your chance to visit farms and businesses involved in feeding our hungry planet. Possible sites include:

- Lock and dam site
- Research lab
- Food bank
- Ag industry

Sign up through the Kane County Farm Bureau. Register before May 15.  
Graduate Credit hours available through Aurora University or  
attendance credit through Kane County ROE.

Call or email Suzi Myers 630-584-8660 [aitc@kanecfb.com](mailto:aitc@kanecfb.com) with questions or to register.
